

# Accessibility Statement for Community Radiology NY

This is an accessibility statement from Community Radiology NY.

## Measures to support accessibility

Community Radiology NY takes the following measures to ensure accessibility of Community Radiology NY:

- Include accessibility as part of our mission statement.
- Include accessibility throughout our internal policies.
- Integrate accessibility into our procurement practices.
- Provide continual accessibility training for our staff.
- Assign clear accessibility goals and responsibilities.

## Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Community Radiology NY is partially conformant with WCAG 2.0 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.
